

CS270 Homework Assignment 0

“Introduce Yourself”

Homework and programming assignments are to be done individually.

Goals

To introduce yourself and ensure that you can access the class web page and RamCT.

The Assignment

Browse the class web page (<http://www.cs.colostate.edu/~cs270>) and find the class notes, assignments, and recitation instructions.

Login to RamCT (<https://ramct.colostate.edu>) and follow the directions in the announcements discussion group.
